

November 30, 2020

Dear Parents/Guardians:

We will utilize a new feature within our student portal to send out email reminders and notifications to families. This email feature is different from the Parent Portal in Genesis.

Report cards will be accessible through the Parent Portal later this week. If you are already accessing your student's information via Parent Portal no action is required at this time. If you are interested in using the Parent Portal please refer to a previously sent email from Genesis with instructions and a password for Parent Portal access. Should you be unable to locate this email, please send us an email.

Important Information:

- Report Cards will be mailed home this week.
- We will continue with our Hybrid learning model as long as it is deemed to be safe in coordination with the Monmouth County Health Department.
- Should we need to switch to an all virtual learning at any point we will:
 - Follow the current Wednesday schedule for remote learning on Monday, Tuesday, Thursday and Friday. Wednesday will be Edgenuity and independent work.
- As we all work together to stay safe, please remember:
 - Notify the school if your child tests positive for Covid-19.
 - Notify the school if your child has been in close contact with someone who has tested positive for Covid-19.
 - Protect everyone and keep your child home if they are not feeling well.
 - Adhere to quarantine procedures.
- Safety Precautions:
 - Wash your hands
 - Wear a mask
 - Social distance
 - Drink plenty of water

Despite all of the uncertainty and challenges this year has brought we will make it through this together. Continue to make healthy decisions and stay safe! Do not hesitate to contact me with any questions.

Live your dream,

Shawn Heeter
Lead Person/Dean of Students
Academy Charter High School
