

Please read carefully for information about virtual learning. It will be significantly different from the end of last school year.

School begins on Monday, September 14th. Please login to your accounts and complete any work that is assigned.

### **Attendance:**

\* As per the state of New Jersey, students are required to complete four (4) hours of academic work/assignments/activities per day in order to be counted as present.

\* **You must login and do work for 4 hours to get credit for the day.** This can be through Google Classroom and/or Edgenuity assignments.

\* On Wednesdays you are required to join the Google Meet sessions for your assigned classes. The schedule for these Meets is (or will be) posted in the Google Classroom for each course.

### **Edgenuity & Google Classroom:**

\* We are using a combination of these two platforms for remote learning this year. Edgenuity is an online program with curriculum that aligns with New Jersey learning standards. Google Classrooms are managed and monitored by the staff member who teaches the courses.

\* Modules will be opened in Edgenuity for you to complete.

\* Assignments will be posted by teachers in Google Classroom.

\* **Edgenuity Login:** your school email as the User; achs1725 as the initial password. I suggest changing the password.

\* **In order to satisfy the requirements for each course, you must complete 3.5 hours of assignments per week, per class.** Do not fall behind on your work!

### **Support and Assistance:**

\* For technical difficulties such as internet or device issues contact Mr. Primavera, [rprimavera@academycharterhs.org](mailto:rprimavera@academycharterhs.org)

\* For Edgenuity technical issues contact Mrs. Martin, [martin@academycharterhs.org](mailto:martin@academycharterhs.org).

\* For Google Classroom questions or issues, contact your teacher for that course through email or a Google Hangout message.

\* Teachers will be available throughout the week to assist you. They will post their virtual office hours schedule in Google Classroom.
